SEPTEMBER 2023 NEWSLETTER

Message from the President

I just can't believe that we are heading into Fall - where did our summer go? It was fun...the shows, painting, gardening and yes, even working.

This up coming fall, we have so much to look forward to. The Fall Show is just around the corner, the fabulous Studio Tour, the ACCSC art walk, drop in art, the Christmas Market Place and some amazing workshops are in store. We are so lucky that this art society has so many incredible people working behind the scenes that allow us to offer such events.

It has been such a busy summer and looking at the upcoming events it will be a very busy fall... but take care, stop and take time to recharge when you can. Do something creative for you, take that hike in the fall leaves, and make that all important phone call to that someone you have been wanting to connect with.

I would like to thank all those behind the scenes people. Those people that are stepping up and doing things that they have never done before. The individuals that are showing patience and those that are mentoring. I would like to say that it is you that keep this society thriving. There are those that have been doing the same thing for along time thank you for your commitment and also to the gal upstairs in the office...thank you!

Yes... I could go on and on

Thank you,

Joyce Boyer

THANK YOU so much for the plaque acknowledging my years
of leadership with the Art Society of Strathcona County.

It will be on my office wall to remind me of the
many years of enjoyment that I derived from being
on the Board over 22 years, as President for 14 years,
and just being with artist friends at the Centre
and everywhere ☺

I entered the world of art on the encouragement of a friend,
and the experience was life changing...creating, learning,
but mostly making friends who enjoy the
world of art. I know that I will
continue to enjoy creating
art pieces with all the friends that
I have made over the years.
Thanks for the opportunity!
