## LINE AND WASH JOURNAL WORKSHOP

with **TERRIE SHAW**

Have a weekend full of fun designing your own personal Line and Wash Journal. Terrie will guide you through choosing and developing your own personal style, theme, design, techniques, colour mixing, negative painting, layout and balance. There will be lots of demos.

You will be delightfully surprised at how much journaling will help you with your composition, light, shadow, and provide you with a collection of references for your paintings.

Line is simply sketching with a micron pen and then adding a wash with watercolour. If sketching with a pen is scary you can sketch with a pencil first. This workshop is for beginners to advanced students. There will be lots of demos.

Some of my journals can be found on my website <http://www.terrieshaw.com>
