

FEATURE ARTIST REGISTRATION

Feature Artists are extended an invitation to show on our Feature Artist Wall for the duration of our scheduled shows in the Loft Gallery. These shows run approximately two months at a time. The Artist may or may not be a member of the Art Society of Strathcona County.

ELIGIBILITY

The Artist would have to have a large enough body of work to show on the Feature Wall next to the large windows at the Loft Gallery (approx. 5' x 10') as well as the vertical wall at the top of the stairs (approx. 3' x 5'). An Artist with three dimensional works would be given other areas within our gallery in conjunction with the wall or in place of the wall. The work will be Juried in by the Art Society Gallery Committee. Artists may request certain rotation months but the final assignment of time will be left to the committee.

COMMITMENT

We ask that the Artist be available for two shifts during each two-month rotation. Artists are welcome to be in attendance at any point of the rotation. Gallery is open on Saturday and Sunday 12:00- 4:00pm and during special events including the ASSC Spring Show, Fall Show and Christmas Market Place which are advertised extensively.
