

Art Society of Strathcona County

3 WEEK SESSION FOR BEGINNER COLLAGE

Joyce Boyer – Instructor

Joyce will be demonstrating a variety of techniques she uses to create her base with tissue paper. Altering the surfaces using acrylics, mediums and stamping materials, you will explore a variety of ways to create a cache of paper for your mixed media pieces. You will be exploring the use of pastes, adding your own photos or fabrics.

A final touch with embellishments, beads, threads or those personalized items expand possibilities and tactile experiences. Join Joyce as she shares her secrets to her methods of exciting colour. Students can use their own references or if they wish they may use the demonstration as their reference material.

All levels welcome!
