

Art Society of Strathcona County
**BEGINNER ACRYLIC II – 3 WEEK
SESSION**

Margaret Klappstein – Instructor

This 3 week session is designed for students who wish to continue their exploration into the world of acrylic painting.

Margaret will explain how to mix and blend colors in acrylics, how to use brushes to create a variety of textures and patterns, how to start with an image, loose sketch, or idea, and turn it

into a lovely painting. You will also work with different mediums to get some different effects.

You'll have fun, and you'll learn techniques you can practice to develop your painting skills further in the future.
