## SMALL ABSTRACTED LANDSCAPES

Vern Busby - Instructor

**What is Abstracted landscape?**

**A personal opinion with Verne Busby.**

**The workshop will concentrate on enlarging our visual perception by looking critically at the natural landscape before us. Paintings will develop with concentration on simplifying form, and tone while taking advantage of spontaneous forceful brushwork. Throughout the day I will give brief “painting demos” relating to the topic of the day. You**

**may work in oils or acrylics. One on one interaction with all students is emphasized. A daily synopsis will follow at the end of each class. All painters are welcome to work at their own pace. Visit Vern’s website at [www.vbusby.com](http://www.vbusby.com)**
